# Production Services

## HD Production Truck

### **Mobile Production Trailer**

50' single- expando trailer, 50' x 14' footprint with landings and stairs.

Unique Efficient “Cold - Room Design” with nearly all gear racked in easy-accessible racks near AC.

Tractor & Trailer are 80' combined.

### ■ Broadcast quality services

At J3 Productions, we understand the struggles of putting on a broadcast-quality show on a tight budget. Our engineers and production teams have decades of expertise to deliver you a top-notch quality show that you'll be proud to put your name on it. At J3, we are building relationships nationwide that also enhance your production. If you can dream it, we can deliver it.

# OUR EQUIPMENT
